Administration Building Renovation

The BMPC Board of Directors is excited to advise that the renovation of our Administration Building is set to proceed in mid-August. Details of the construction contract are currently being finalized. The General Contractor is a company local to the area. The sub-trades are also local companies. Completion of the project is expected in late January 2021.

Due to the restrictions arising from COVID-19, the office staff have been operating effectively from their homes. Most of our office employees will continue in this manner during the renovation which will enhance the efficiency of the renovation.

A temporary office has been located across the street from the Administration Building in Bay 1a, 4919 – 43rd Street. This office will be open to the public beginning August 17th.

Pole Testing

Genics, on behalf of the Blue Mountain Power Co-op will be performing routine pole testing, which may require access to your property beginning August 17, 2020. Thank you for partnering with us in our commitment to a safe and economical pole maintenance program.

Updating Member Information

Having current member information on file is vital during pre-planned and un-planned power outages. Please contact the BMPC office with your mailing address, phone number or email address changes. Phone 310-POWR (7697) or send an email to bmpc@bmpower.coop

Sign up for Email Communication & Email Billing

BMPC is encouraging all members to sign up for email communication and email billing. Many important messages can be conveyed to our members via email such as Pre-planned Power Outages and vital communications such as closing of the office during the COVID-19 crisis. Members bills can also be sent via email and any member who chooses to sign up for Email Billing will save \$24 per year on their bill. If you would like to sign up for email communication and email billing, please send an email to bmpc@bmpower.coop requesting to be signed up. In your email include the wording "I authorize Blue Mountain Power Co-op to send email correspondence and utility bills".

Signing Up for Online Bank Payments and Citizen Self Serve

Online Bank Payments can be made through your online banking at participating financial institutions. Your BMPC utility account must be eight (8) digits. If it is less than eight (8) digits, add enough zeros (0) to the front of the number to make it eight (8) digits (do not include the decimal). Please allow five (5) business days for payment to reach BMPC's office.

Citizen Self Serve—To pay BMPC directly by credit card, register online using the "Your Account" link on www.bluemountainpower.coop

**Blue Mountain Power Co-op's office will be closed
Monday, September 7, 2020**
